Education

University of South Carolina - Columbia
Columbia, SC May 2029
Academic Scholar Merit Scholarship

Experience

European Wax Center

April 2024 - September 2024

- Guest Sales Associate
- Ran cash register for all payments while writing future sales pitches for customers
- Scheduled/cancelled appointments, usually over the phone.
- Sold products and month or year long passes to customers. This included going through their past history and seeing what suited them best based on purchases or appointments.
- Learned valuable skills such as customer service, multitasking, and gained confidence when pitching products or ideas to other people.

Volunteer Experience

- Blair Gerlach's kids soccer camp (summer of 2022, 2023, and 2024): Ran practices/drills with kids separated into age groups, a leadership role and had to guide others
- Food Pantry Organization (December 2025): local food pantry, help sort through all the food before holidays and check expiration dates, a big teamwork environment and large amounts of communication

Skills

- Knowledge of algorithmic design and JAVA coding
- Knowledge of modern computing
